WHY THE UNITED KINGDOM?

The United Kingdom is the fifth largest economy in the world, with one of the highest rankings for education, infrastructure, healthcare and ease of doing business. The UK has a multi cultural, cosmopolitan society, with a rich diversity of cultures, languages and faiths. A new era has begun for the UK and after successfully exiting the European Union, the UK has adopted major changes to its immigration policies. Now EU and non-EU citizens will be seen in an equal light.

**KEEP YOUR
PASSPORT.
LIKE TO KNOW
WHY?**

MULTIPLE APPLICATIONS

If you need to apply for multiple visas, such as a UK / Schengen combination, or wish to make a short trip while waiting for your UK visa to be processed, you will find the 'Keep My Passport When Applying' service at the UK Visa Application Centre very helpful. After enrolling your biometrics and submitting your visa application at the UK visa application centre, if you have opted for this service, your passport is handed back to you.

This is extremely useful if you want to carry on with another country's visa application formalities, as this service allows you to keep your passport with you.

NEED A **VISA** AT SHORT NOTICE?

PRIORITY VISA

Need a visa at short notice? The Super Priority and Priority Visa services are options for those who need to travel urgently. For Priority Visa applicants, the process takes 3–5 days, while for Super Priority Visa applicants, the process is completed in a single business day. Do note that the eligibility for application for either of these services may vary.
